Mr. C. Meredith,

Dear Sir:

Learning that you are a director of the Collins school, and that a teacher will be needed there the coming year, I hereby apply for the position.

Enclosed you will find a letter of recommendation from Prof. C. B. Cox, Supt. of the Lenia schools, which please return. I can also obtain similar recommendations, if necessary, from others, and if you wish I can come to your neighborhood at any time when it may be convenient to you.

Hoping for an early and favorable reply, I remain,

Yours truly,

Mary Leticia Newton
